Experian collects and organizes information about you and your credit history from public records, your creditors and other reliable sources. By law, we cannot disclose certain medical information (relating to physical, mental, or behavioral health or condition). Although we do not generally collect such information, it could appear in the name of a data furnisher (i.e., "Cancer Center") that reports your payment history to us. If so, those names display in your report, but in reports to others they display only as "Medical Information Provider." Consumer statements included on your report at your request that contain medical information are disclosed to others.

To return to your report in the near future, log on to www.experian.com/consumer and select "View your report again" or "Dispute" and then enter your report number.

If you disagree with information in this report, return to the Report Summary page and follow the instructions for disputing.
